
Quality Irish Mare

£ 9,500

Description

Lovely quality mare that has real potential for PC eventing or SJ. Very good movement with 3 really balanced paces and a fabulous attitude to her training. She shows a really good jump over coloured fences and is unfazed XC. Sensible little mare that is east to ride on the flat and happy and calm out in big open spaces. Very sensible out on the roads and will ride alone or with others. Very gentle nature and is happy to load, good to catch, good with the Farrier, Dentist, clippers, easy to catch, lead etc. Super mare that could have a very good future Eventing/SJ.
